All-Day-Course

**Emergency Neurological
Life Support (ENLS)**

January 20st | 9:00 am–7:00 pm

In collaboration with

**German Society for Neuro-Intensive
Care and -Emergency Care**

Neurocritical Care Society

www.anim.de

- The Emergency Neurological Life Support (ENLS) course is designed to help healthcare professionals improve patient care and outcomes during the critical first hours of a patient's neurological emergency.
- ENLS demonstrates a collaborative, multi-disciplinary approach and provides a consistent set of protocols, practical checklists, decision points, and suggested communication to use during patient management.
- This activity is designated for a maximum of 15 AMA PRA CME, ANCC, ACPE and CECBEMS credits upon completion. A certificate can be obtained online.
